

Directory of Mental Health Resources in Kansas

July 2012

Shawn Sullivan, Secretary of KDADS
Gary Haulmark, Deputy Secretary of Community Support Programs
Angela Hagen, Director of Behavioral Health Services

(Revised May 24, 2012)

PREFACE

This publication is the twenty-second edition of the Directory of Mental Health Resources in Kansas. Copies of this publication can be printed by going to the following link:

<http://cps.kdads.ks.gov/agency/mh/Documents/MHDirectory.pdf>.

Response to previous publications has been excellent and we hope this edition will be of equal value to persons using it. It is published to provide as current information as possible on the Community Mental Health Centers serving Kansas as well as other mental health resources. Obviously, there will be continuing changes in facilities and staff members listed, but we believe the basic information provided will be of assistance.

This edition is formatted with enhancements to facilitate the user's ability to promptly find the information they are seeking. First, each facility is alphabetized; secondly, each city (location) is listed alphabetically with the page number location within the Directory (pages 4-6). Additionally, there is a separate directory of Community Mental Health Center Board of Directors (pages 36-39).

The listing of an agency, service, or individual does not constitute endorsement by Disability and Behavioral Health Services, nor does an omission infer disapproval.

Our sincerest thanks to personnel at all agencies and organizations for making available the necessary information used in this publication.

To update a listing in the Directory, please write or email:
